Dear Parent/Carer

Re: EXAM RESULTS DAYS SUMMER 2017

I am writing to you to inform you of the details regarding Examination Results Day 2017. AS/A Level results will be published on Thursday 17th August and for GCSE on Thursday 24th August 2017.

The Exam Boards no longer issue hard copies, so your son/daughter's results will be issued as a document printed on the school administration system from the electronic result files issued by the Boards. The results are to be regarded as provisional at this stage. Exam Certificates issued by the Boards at the end of October and then issued at our Presentation Evenings in November will confirm the results. More details of these evenings will be sent out nearer the time.

Results can be collected from the Sixth Form centre as follows:

Thursday 17th August 2017

Year 13 and 14 from 8.30am (all external results)

Year 12 from 9.00am (both external and internal exam results)

Thursday 24th August 2017

Years 11 and 12 (GCSE re-sits) from 8.30am

Year 10 from 9.00am

It is strongly recommended that your son/daughter collect their results in person, or if they cannot attend, arrange for a friend or relative to collect them. They should bring in a note from the candidate [son/daughter] on results day itself authorising them to collect the results on their behalf.

Following the examination results the usual documentation giving details of Results Enquiries, Returned Scripts and Re-sits with the appropriate forms will not be included with the results, these will be available electronically from the Exams page of Tring School website. These will be posted on the site in advance of both results days.

If you have any questions regarding post examination results services please do not hesitate to contact myself on exam@tringschool.org

Yours faithfully

Mrs N Darrington
