

Tring School

Year 11 Key Stage 4

Teacher Prediction

This is the teacher's prediction of the grade that the student is most likely to achieve at the end of their GCSE studies. The prediction is based upon everything that the teacher knows about the student; their work to date; their approach to the subject; the course content; and the performance of similar students historically at Tring School.

EPG - Expected Progress Grade at the end of Year 11

This is the aspirational grade the student should be able to achieve at the end of their Key Stage 4 studies if they fully apply themselves.

Year 11 Examination Result (Summer Term)

This is the grade that the student achieved in the Year 11 Mock Examination, taking account of any coursework or controlled assessments already completed.

Numerical Grades

English and Maths GCSEs will be awarded a numerical grade, from 1-9, where an old grade C is approximately equivalent to a 4 and an old grade A is equivalent to a 7. Nine is the highest grade that can be awarded. Other subjects will still be awarded a letter grade as the new system is phased in.

Numerical GCSE Grades: 9, 8, 7, 6, 5, 4, 3, 2, 1, and U

Letter GCSE Grades: A*, A, B, C, D, E, F, G and U

BTEC Grades: Distinction* (D*), Distinction (D), Merit (M), Pass (P) Level 1, and Fail (F)

The colour coding on the report compares a student's current Predicted Grade to their BEP Grade.

The student is working at their BEP grade

The student is working one level below their BEP grade

The student is working two levels below their EP grade

The student is working three or more levels below their EP grade

Attitude to Learning

Attitude to Learning scores are given in relation to Classwork, Homework, Behaviour and Organisation. Scores are from 1-4 for the first three categories and 2-4 for Organisation.

For more information please see the separate Attitude to Learning Criteria document.
