Year 9 Key Stage 3

Current Level

This is the National Curriculum level the student is currently working at. It is produced using the teacher's professional judgment of your child's current attainment based upon their coursework, homework, assessments and tests completed.

Previous levels may be shown for your information.

In some subjects students may have started their KS4 studies and their Current Level will be shown as a whole number, which represents a GCSE grade.

EPG - Expected Progress Grade at the end of Year 9

This is the level the student should be able to achieve at the end of Year 9 if they fully apply themselves.
